6. Setting up your first HANA project in SAP Business Application Studio

The image displays two screenshots of the SAP BTP Cockpit interface, specifically the 'Subaccount: trial - Instances and Subscriptions' page. The top screenshot shows the 'Subscriptions (1)' tab, which lists one subscription for 'SAP Business Application Studio' with a status of 'Subscribed'. The bottom screenshot shows the same page, but with a red box highlighting the 'Go to Application' button in the 'Instances (0)' section. The interface includes a sidebar with navigation options like Overview, Services, Cloud Foundry, and Security. The main content area shows details for the subscription and instances, with filters for All Services, All Plans, and All Statuses.
